

Pergola Project

What is a Pergola?

A Pergola is an ornamental shade structure often included in a park setting. The design of the Pergola is intended to compliment the architecture of the pavilion building. The Pergola can be used as a peaceful setting to enjoy the park and as a structure for events.

How big is the Pergola?

The Pergola is approximately 40' long by 20' wide by 10' tall.

How is the project funded?

This project is funded from contributions to the Pekin Park District Foundation and the Pekin Park District through donations received from the Pekin Marigold Festival Committee and the Winter Wonderland Festival Committee.

When will the Project be completed?

Construction has begun on the project, the Pergola structure will be installed mid to late summer
