HONORING LIFE & LEGACIES, WE HELP PEOPLE CONNECT AND PLAY.

For years, Pekin Park Foundation has actively worked behind the scenes to maintain the historic Pekin Park District. Funded through generous community support — often in honor of a loved one — gifts to our Foundation help beautify our parks and provide scholarships for those not otherwise able to participate in programs. These gifts leave a long-lasting, positive community impact by creating equity and enhancing the spaces we use to connect, relax, and play every day.

YOUR SUPPORT HELPS FAST TRACK KEY PROJECTS.

As the Pekin Park District celebrates more than a century of serving our community, your support will become even more evident. It is our mission to help fast track any maintenance, repairs, and renovations needed to keep our park district one of the most diverse, affordable, and beautiful systems in Illinois.

But we don't want to stop there. With your help, we will continue funding special projects that enhance the quality of life for area residents through innovative programs and modernized amenities available right here in our community.

WAYS TO GIVE

When it comes to supporting our Foundation, there are many ways you can put your tax-deductible gift to work. Take a look around and see how you can help make a lasting impact in our community for years to come.

Buy a GIFT

From swings to grills, choose an item from our curated **gift catalog** that can be inscribed with a specialized plaque. Or you can work with the Superintendent of Parks to donate your choice of tree to shade generations to come as they enjoy any number of parks throughout the park district.

Make a DONATION

Your support is essential in determining how much we are able to do. But cash donations aren't the only way to give. You can also make in-kind contributions of marketable securities and other assets, or support us through programs like AmazonSmile and Kroger Community Rewards.

Fund a SCHOLARSHIP

We have several scholarship funds available that you can contribute to, all filling a specific need in our community. Funds are used for a wide range of uses including helping support those who cannot fully afford participation in recreation programming, promoting the love of golf in kids and teens, and enhancing the parks.

Add to ENDOWMENT

Gifts to the endowment fund are used to help support a variety of current and potential recreation parks, programs, and facilities. While the funds are used more generally, they also pack an added punch because it's an investment account that earns dividends and interest and grows over time.

Start a PROJECT

Some of our biggest projects have come about because of a dream someone had for our park system. If you have an idea about a program you would like to see added or an enhancement you think would make a huge impact in our community, let us know!
